ANNUAL CONNECT EXPERIENCE

The **Women's Leadership Network of Dubuque** (WLN) has been a cornerstone of our community for the past two decades, dedicated to empowering women through development, connection, and recognition. Our mission is to foster a supportive environment where women can thrive and lead. By participating in WLN events, attendees will gain valuable skills, expand their professional networks, and be inspired to reach their full potential.

For our **6th Annual Connect Experience** on Thursday, August 7th, 2025, WLN is excited to host a day of education and development, featuring national speakers. This year's theme, **"Intelligence Unleashed: Exploring Artificial & Emotional Intelligence"** will be highlighted by our esteemed speakers Kelli Risse and Susan Frew.

The morning conference will include speakers, networking opportunities, and lunch. In the afternoon, join us for a four-person best-shot golf tournament with prizes, followed by a social hour. Not a golfer? No worries! Many of our participants are here for the fun and networking, and we guarantee your employees will enjoy themselves too!

Our conference offers attendance options for morning, afternoon, or a full day to ensure flexibility and fit your schedules and interests. We look forward to providing a memorable experience for the emerging leaders in our area.

Learn more about sponsorship opportunities and how your team can participate in this annual event on the next page. To ensure maximum exposure for your support, please confirm your participation by June 15, 2025.
